Premium Ukrainian hot pressed sunflower oil in 5L PET

Ukrainian hot pressed sunflower oil in 5L PET bottles. The Chef's Choice for Bold Flavors!!!

SPECIFICATION

Ukrainian hot pressed sunflower oil in 5L PET bottles. The Chef's Choice for Bold Flavors!!!

Harnessing generations of Ukrainian oil-making tradition, our hot-pressed sunflower oil delivers unmatched depth of flavor in practical 5L PET packaging. Perfect for restaurants, food manufacturers, and households that value both quality and convenience.

Key Features:

Authentic hot-press method. Seeds gently roasted before mechanical pressing for a rich, nutty profile

High heat stability. Smoke point of 225°C/437°F, ideal for frying, sautéing and grilling

Premium PET Packaging. Food-grade, UV-resistant 5L bottles with ergonomic handles for easy pouring

Why choose 5L format?

Cost- efficient. Save up to 5% vs. small- sized bottles

Space saving stacking. Uniform shape optimizes storage

Extended shelf life. 24 months in proper conditions (8°C–20°C)

Culinary Applications:

- Deep frying. Crispy texture for chicken, potatoes and doughnuts
- Baking. Enhances rustic breads and pastries
- Dressings & Marinades. Adds a toasted note to vinaigrettes

Technical Specifications:

- Volume: 5 liters (net weight: 4.6 kg)
- Acidity: ≤2% FFA (as oleic acid)
- Color: golden amber (Gardner scale ≤13)
- Certifications: ISO 22000, HACCP
